George Nakashima, Woodworker

★1

0.6 Popularity

For many who know him through his works and ideas, admirers of George Nakashima may think his work breaks down the design elements and trace the techniques that added up to his works. They'd be on the right track, but his influences were hardly trending concepts. They were more a result of a complex collection of experiences and influences for real answers. During the Great Depression, George set out on an around-the-world voyage with a one-way ticket. His goal was to find a purpose for creating.
